***The UA general education requirements are met with completion of the AGEC-A (Arizona General Education Curriculum).**
[^]**MAT 142 or MAT 151** will fulfill the foundation math requirement for the PMPC major.
 The **highlighted** courses represent the PMPC major courses that can be completed at PCC.

See a University of Arizona PMPC Academic Advisor for full details on the PMPC degree requirements.
 This is a **SAMPLE** plan and is subject to change based on catalog year, placement tests, AP/CLEP credit, transfer work, minor requirements, summer school, etc. The official degree requirements are found in the University General Catalog and all University of Arizona students should refer to the Academic Advising Report for specific graduation requirements.
