Internship Opportunities

United States Attorney’s Office for the District of Arizona
Tucson Branch

The Tucson branch of the United States Attorney’s Office for the District of Arizona is seeking interns that are available to work from January 2019-August 2019. Interns will work directly with attorneys assigned to a specific case.

Interns will perform a variety of duties, but will be assigned to a specific case and work primarily with law enforcement agents and Assistant US Attorneys. The project involves preparation of materials in a criminal matter. Interns will have the opportunity to attend court hearings and work with attorneys, but will primarily be assigned to work a specific case in the office.

Criminal Division: Assistant U.S. Attorneys working in the Criminal Division prosecute violations of the federal criminal code including: narcotics trafficking crimes (including related violent, financial and corruption crimes), violent crimes occurring on the Indian reservations and federal facilities located in southern Arizona, white collar crimes (including mortgage fraud, tax fraud, money laundering), crimes affecting the national security of the United States (including alien smuggling, weapons smuggling, and terrorism) and crimes particularly prevalent in the southwest border states (including illegal reentry of a removed alien and alien smuggling).

Qualifications:
Must be a U.S. citizen. Must be currently enrolled at a university. Strong grades and excellent research and writing skills. A background check must be completed upon acceptance of the internship offer because of the sensitive nature of the work performed by the United States Attorneys Office. Prior criminal arrests and/or convictions, illegal drug or alcohol use, and tax issues could disqualify the student.

Salary:
Internships are unpaid, and interns will not receive benefits; however, the office will work with schools that offer academic course credit and work-study.

Application Process:
Applications should be e-mailed to Christina Vejar. Applications should include the following materials: (a) résumé, (b) transcript, (c) dates of availability, and (d) telephone number(s) where the applicant can be reached in the daytime and evenings. A cover letter is optional.

Please submit your applications to Christina M. Vejar, christina.vejar@usdoj.gov by September 28, 2018.

Lead for America is a diverse and dynamic movement of leaders who believe in the transformative potential of local government to build community and tackle the toughest of challenges.

WHY LEAD FOR AMERICA?

Lost Civic Potential: 84% of Millennials consider it their duty to make the world a better place, but most do work that often promotes individual self-advancement over contribution to community.

Aging Local Governments: By 2006, only 13% of local government managers were under 40 and only 1% were 30 or younger.

Non-Representative Leadership: 74.8% of those who earn more than the median wage in local government are white, 10 points higher than their share of the population.

OUR FOUR GOALS

Impact communities  Diversify government  Cultivate leaders  Bridge the public sector recruitment gap
