The Arizona Legislative Internship Program provides select university students a unique opportunity to become an integral part of the legislative process. During the Spring semester, Interns are placed in various positions at the Senate or House of Representatives where they get an insider-view of how bills become law.

Legislative staff serve as mentors and guides to interns under their supervision. Generally, Interns conduct legislative and public policy research, present information to committees, caucuses and individual legislators, analyze bills and write summaries. This Program offers hands-on experience, critical thinking, enhanced writing and verbal communication skills.

Interns receive a $4,200 stipend and a tuition/fee waiver, and earn 12 hours of undergraduate upper division credit or 9 hours of graduate credit upon successful completion of the internship. Students from outside Maricopa County are eligible to apply for reimbursement of qualified relocation expenses up to $500.

** Legislative Staffers will also be in the Student Union’s Ventana Room from 12:00-4:00 on September 4. Faculty and students are welcome to stop by the Ventana Room to visit with the Legislative Staff and to learn about the program.**

The Ventana Room is on the 4th floor of the Student Union. To see a map of the Student Union click here.
