WRITING SKILLS IMPROVEMENT PROGRAM
INTERNATIONAL WRITER’S WORKSHOPS
Fall Semester 2012
Thursdays 4-5 p.m., Social Sciences 222
View the weekly workshops here, a few upcoming:

Oct. 4 Grammar Refresher – John Rabuck
Using a quick test of “grammar instincts,” this workshop addresses common grammar and usage problems like subject/verb agreement, pronoun reference, misplaced modifiers, and parallel structure.

Many languages around the world have no articles, making their correct use a persistent problem even for highly proficient English language learners. This workshop demonstrates, with appropriate examples, how article use in English is, surprisingly, governed by an orderly set of principles.

Oct. 18 Punctuation Refresher – Andrea Hernandez Holm
This workshop provides an overview of basic punctuation rules and styles. We discuss concerns with punctuation and work together on writing exercises.
