Public meeting can be view at: <https://www.youtube.com/watch?v=NlrgqL0k2Rg>

Publications/Creative Activity (Published or Accepted in Reverse Chronological Order)

Chapters in scholarly books and monographs

Sanchez, L. (2020). [The sleeping giant awakens: Latinos in the 2020 election](#). In *U.S. Election Analysis 2020: Media, Voters and the Campaign Early reflections from leading academics* (p. pg. 49). <https://www.electionanalysis.ws/us/>.

Description: Invited chapter in a publication featuring 91 contributions from over 115 leading US and International academics, this publication captures the immediate thoughts, reflections and early research insights on the 2020 U.S. presidential election from the cutting edge of media and politics research. Published within eleven days of the election, these contributions are short and accessible. Authors provide authoritative analysis – including research findings and new theoretical insights – to bring readers original ways of understanding the campaign. Contributions also bring a rich range of disciplinary influences, from political science to cultural studies, journalism studies to geography.
